PRESS RELEASE

Traffic Alert: Busse Road at Algonquin Road

The Mount Prospect Police Department is issuing a traffic alert for motorists who travel Busse Road at Algonquin Road. Due to a sewer collapse, two (2) northbound lanes of Busse Road are closed at Algonquin Road. Left turns from northbound Busse Road to westbound Algonquin Road are prohibited during the duration of the lane closures. In addition, periodic lane closures on southbound Busse Road south of Algonquin Road can be expected. Traffic flow in the area is extremely constricted and slow moving during rush hour periods.

The Metropolitan Water Reclamation District of Greater Chicago, the agency with jurisdiction over the collapsed sewer line, is on scene assessing the situation and developing a plan to complete repairs.

Motorists are strongly encouraged to find alternate routes as lane closures on Busse Road may last as long as three (3) weeks in duration.
