**Section 21.315: PLAN EXAMINATION FEES:**

For single-family homes: \$50.00.

For garages, normal accessory buildings for single-family homes, and miscellaneous plans: \$25.00.

For all other alterations, construction or repair of buildings and structures, the following system shall apply:

The fee for plan examination is related to the complexities of the work involved. The fee is based on:

1. The size of the building (base fee).
2. The type of construction (base fee multiplier).
3. The use group (base fee multiplier).
4. The type of mechanical plans (mechanical plans multiplier) included in the submittal. The quotation is as follows:

Plan exam fee = (base fee) x (base fee multiplier) x (mechanical plans multiplier)

Example: Use group C (mercantile)	
Floor area	5,000 square feet
Height	2 stories, 20 feet

Type II-C construction

Plans include building, mechanical and plumbing

The volume of the building is 5,000 square feet x 20 feet = 100,000 cubic feet

The base fee is \$200.00

The base fee multiplier is 0.9

The mechanical plans multiplier is 1.40

Plan exam fee = 200.00 x 0.9 x 1.40 = \$252.00
