Re: Collection of 2% Foreign Fire Insurance Tax
For the period 7/1/2025-6/30/2026

Dear Tax Professional:

In accordance with Illinois Public Act 95-0807, payment of this fee is required by every out-of-state corporation, company, and association, which are engaged in affecting fire insurance in a municipality, and must be paid directly to the Treasurer of the Foreign Fire Insurance Board. The Mount Prospect Foreign Fire Insurance Board opts to collect this tax (fee) directly, rather than going through the Illinois Municipal League.

The attached list identifies properties in Arlington Heights, Des Plaines and Elk Grove Village that have been annexed into Mount Prospect. As Mount Prospect now provides fire protection for these areas, the 2% Foreign Fire Insurance Tax (Fee) for these properties must be paid to Mount Prospect—not Arlington Heights, Des Plaines or Elk Grove Village.

The attached affidavit certifies gross premiums, taxes (fees) paid to the State, and 2% Insurance Tax (Fee) due the Mount Prospect Foreign Fire Insurance Board. Please return the signed affidavit, along with a check (if applicable) made out to “*Mount Prospect Foreign Fire Insurance Board.*” You can also send the payment electronically. Payment instructions are listed below. In either case, the signed affidavit must be returned.

If your company does not write any lines of business that include fire coverage or does not owe taxes (fees) this year, a completed (zero owed) copy of the attached affidavit can simply be returned via email.
