TRANSIT SUBSIDY PILOT PROGRAM

Transportation was identified as a high priority in the Village's Aging in Community Action Plan. The Village partnered with Civiltech Engineering, Inc. to conduct a comprehensive assessment of village-wide transportation options.

A final report with recommendations was presented to the Village Board. The Village Board has approved a Rideshare Subsidy Pilot Program that is scheduled to launch in 2027. This program will target low-income residents with transportation barriers.

Those interested in applying will be required to meet with a department social worker to explore existing transportation options and to assess eligibility for this program. Additional information will be forthcoming in January of 2027.

HUMAN SERVICES DEPARTMENT

A LETTER FROM OUR SENIOR ACTIVITY COORDINATOR, Lisa Tenuta

Over the last two years, the Human Services Department has been focused on expanding our senior events and activities. If you have taken the time to attend any of our older adult programs here at Village Hall, *THANK YOU*!

We hope you have felt our intended sense of belonging and companionship. If you have not yet visited, I encourage you to look through the Senior Buzz newsletter to find something that sparks your interest. Join us here at Village Hall and also take the opportunity to explore the many offerings created just for you by our community partners.

This community serves as a clear reminder of what truly matters. Social connection is not just a bonus of community living; it is what keeps us grounded, vibrant, and resilient.

As we head into a new year, my hope for each of you is that you feel deeply seen, valued, and connected right here in Mount Prospect. Wishing you a warm, comforting, and wonderfully connected year ahead.
