RE: 431 Lakeview Ct # A

To Whom It May Concern:

I inspected the above referenced property and found the code violation that is listed below along with the applicable Village of Mount Prospect Zoning Ordinance code section.

Zoning Violation Code: 14.2104 (G-6) - Odorous Matter Limitations

Full Description: The release of odorous matter from any industrial district across residence or business district boundary lines shall be so controlled that, at ground level or at habitable elevations, the concentration shall not exceed the odor threshold level. Comments: On April 30, 2019 in response to multiple concerns received, Village of Mount Prospect staff and representatives of your company met to discuss smells being emitted from the property. At that time you were to respond with written plans from an architect/engineer to remedy this issue. As of the date of this letter no plans have been received. Please provide written plans to remedy this issue within fourteen (14) days of this notice and please complete all repairs within thirty (30) days of this notice.

I will return to the property on **June 10, 2019** to verify written plans have been received. Also, I will return on **June 24,**

2019 to verify that the repairs have been completed.

If you should have any questions or wish to discuss any extensions, please contact me at the Environmental Health Division at (847) 818-5271.
