

## POST-CONSTRUCTION

The Maple Street Parking Deck is expected to open by end of summer 2020.

The deck will have 285 parking spaces of which 222 will be restricted to Mount Prospect resident commuters.

After the opening of the Maple Street Parking Deck, there will be a total of 668 commuter parking spaces available downtown – 37 more than in 2018. 335 of these spaces will be restricted to Mount Prospect residents only.
