23.1813CHRONIC PUBLIC NUISANCE

A. Declaration of Chronic Public Nuisance Property. It shall be unlawful and a nuisance for any person to intentionally, knowingly, recklessly or negligently permit any rental unit and/or multi-family residential structure within the Village to become, exist or be used as a chronic public nuisance, and any chronic public nuisances found to exist within the Village shall be subject to abatement in accordance with this Section. For purpose of this Section, multi-family residential structure shall include the land
which is affixed, incidental or pertinent to that structure, including but not limited to any parking area, common area, premises, room, house, building or structure, or any separate part or portion thereof.

B. Pre-Abatement Procedure. Whenever the Chief of Police, or his/her designee, receives one (1) police report of any law enforcement agency lawfully exercising jurisdiction in the Village, which reports or describes public nuisance activity within the same one (1) year period at, in or on the same rental unit or the same multi-family residential structure, the Chief of Police, or his/her designee, may take the following action:

(a) The street address or legal description sufficient for identification of the dwelling unit and/or or at a multi-family residential structure.

(ii) Explain that, in the event of a subsequent occurrence of a public nuisance activity on that property, the Chief of Police may declare the property a chronic public nuisance, such that the landlord's Residential Operator's License shall be subject to suspension or revocation; and

(iii) Recommend that landlord enforce the crime free lease provision through eviction or take such other reasonable corrective action as the Chief of Police deems necessary.

(iv) Notify the landlord that it has the right to request a hearing before the village manager to contest the determination of an occurrence of public nuisance activity. Said request for a hearing must be received by the village manager within eight (8) days following the date such notice was personally delivered or placed in the mail. If such a request for a hearing is not received within that time period, the Police Chief's determination shall become final.

(c) Said notice shall be served by regular U.S. mail or by personal service.

2. Whenever the Chief of Police, or his/her designee, receives subsequent police reports of any law enforcement agency lawfully exercising jurisdiction in the Village, which report or describe a second or subsequent public nuisance activity at, in or on the same rental unit or a second, third, fourth, or fifth or subsequent public nuisance activity at, in or on a multi-family residential structure within the same one (1) year period or the same multi-family residential structure, the Chief of Police, or his/her designee, shall send a notice in the form set forth in Subsection 1 above. For purpose of this Section, it is not necessary that notices be sent for each public nuisance activity that may occur, but that two (2) pre-abatement notices be sent in regard to public nuisance activities at a rental unit, and five (5) pre-
abatement notices be sent in regard to such activities at a multi-family residential structure, prior to commencement of the abatement proceedings set forth below.

C. Abatement Procedure. If, after complying with the notification procedures described in Subsection B of this Section, the Chief of Police receives a police report documenting the occurrence of a third or subsequent public nuisance activity at, in or on the rental unit and/or receives a police report documenting the occurrence a sixth or subsequent public nuisance activity at, in or on a multi-family residential structure within one (1) year of the acts or conduct with respect to which a notification was issued, and determines that the property has become a chronic public nuisance property, the Chief of Police shall:

1. Notify the landlord of the rental unit and/or multi-family residential structure that the property has been declared a chronic public nuisance property. The notice shall contain the following information:

   (a) The street address or legal description sufficient for identification of the property.

   (b) A statement that the Chief of Police has determined the property to be a chronic public nuisance property with a concise description of the public nuisance activities leading to that finding.

2. For purpose of showing that the property is a chronic public nuisance property and that a public nuisance has occurred on the property, the testimony of police officers to recount witness statements shall be admissible, subject to the discretion of the hearing officer.

3. The following are defenses to an action seeking suspension or revocation of a Residential Operator’s License:

   a. That the landlord, at the time in question, could not, in the exercise of reasonable care or diligence, determine that the property had become a chronic public nuisance property, or could not, in spite of the exercise of reasonable care and diligence, control the conduct leading to the findings that the property is a chronic public nuisance property.

   b. That the public nuisance activities occurring at a rental unit were not related to the same tenant. Public nuisance activities at a rental unit are subject to abatement under this Section, if they occur while the rental unit is leased to the same tenant.
4. The failure of any person to receive the notices in Subsections B and C of this Section shall not invalidate or otherwise affect the proceedings under this Section.

E. Eviction or retaliation prohibited. It shall be unlawful for an owner to terminate the lease agreement of a tenant or otherwise retaliate against any tenant because that tenant complained to the Police Chief about nuisance activities on the owner’s premises. Such eviction or retaliation shall be enforceable as a violation of Section 23.1809(1) of this Article.

Upon completion of the Seminar within that time period, a Residential Operator’s License shall be issued for the balance of the year.

C. In the event that a designated agent attended the Crime Free Housing Seminar to comply with this Section, and that agent is no longer employed by the landlord or designated by the landlord to be responsible for managing the rental unit and/or multi-family residential structure under the Residential Operator’s License, the landlord, or a newly designated agent, shall attend and successfully complete the Seminar within three (3) months of that event.

A Residential Operator’s License shall not be renewed if attendance is required and not completed within three (3) months of the notice to that effect. Such notice shall be delivered or mailed to the landlord, or designated agent, at the address designated on the most recent license application.

5. One or more violations of subsections 1, 2 or 3 of this Lease Section constitute a substantial violation and a material noncompliance with the Lease. Any such violation is grounds for termination of tenancy and eviction from the leased premises. Unless otherwise required by law, proof of violation shall not require a criminal conviction, but shall be by a preponderance of the evidence.

6. In case of conflict between the provisions of this addendum and any other provisions of the lease, the provisions of this addendum shall govern.
