In an effort to broaden community engagement, the Village leadership team is offering an outdoor “Meet and Greet” on **Saturday, June 3 from 9 a.m. until 11 a.m.** This event is designed to offer residents an opportunity to share questions, concerns, comments and ideas with the Village leadership team in an informal setting.

Village Trustee Colleen E. Saccotelli said, “Chalk and Talk is a direct response to resident requests for additional engagement opportunities with the Board and Village Staff.”

Representatives from various Village departments will be on-hand to answer questions, offer information and more. The event is open to residents of all ages and families are encouraged to attend. The Village will offer a variety of child-friendly items for children to enjoy, such as sidewalk chalk, bubbles and a coloring table.

Community Engagement Liaison Marianthi Thanopoulos said, “Our residents have plenty of events to choose from on any given weekend. What makes this one unique is that it offers them a chance to share their thoughts, offer suggestions or simply pick up materials offered by our Village departments and meet the Village leadership team one-on-one.”
